Applicant: Watkins et al.
Title: SEAT WITH EASY-ENTRY AND
CARGO FUNCTION
Appl. No.: 10/564,870
International Filing Date: 7/1/2004
371(c) Date: 1/17/2006
Examiner: Tba
Art Unit: Tba

STATEMENT OF FACTS FOR RECONSIDERATION OF PETITION PURSUANT TO 37 C.F.R.
§1.47(a)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

After being duly sworn, I, Dr. Felix Wolff, hereby depose and state:

1. I am an adult resident of the Federal Republic of Germany.
2. I am a licensed European Patent Attorney who has been retained by Johnson Controls GmbH, the assignee of the above-captioned U.S. Patent Application, to provide services relating to the protection of their intellectual property.
3. It is my understanding that Johnson Controls GmbH was the former employer of now missing inventor Dave Watkins at the time that inventor Dave Watkins invented the subject matter claimed in the above-captioned U.S. Patent Application. The most current contact information for inventor Dave Watkins in the possession of Johnson Controls, to the extent that that information was accurate at one time, appears to be now out of date; that contact information being ineffective in contacting inventor Dave Watkins as of January 23, 2008.

4. I have read the Decision on Petition Under 37 C.F.R. §1.47(a) mailed from the U.S. Patent and Trademark Office on November 23, 2007, and have taken further steps to contact Dave Watkins.
5. I obtained a listing from the "white pages" database of United Kingdom telephone numbers for David Watkins, which captured the name "Dave Watkins" as well, this listing yielding 48 phone numbers (presented at Appendix A).
6. During and around the second and third weeks of January, 2008, I placed calls to each of the just-mentioned 48 white page phone numbers for Dave Watkins in the United Kingdom, and spoke to a person at each of the phone numbers, but no person at any of the phone numbers indicated to me that they were the Dave Watkins who formerly worked at Johnson Controls or knew of a Dave Watkins who worked for Johnson Controls.
7. On January 23, 2008, I contacted the other two co-Inventors of this application, Hans Schmodde and Robert Schüle, and asked them whether they had current contact information for inventor Dave Watkins, and the co-inventors provided no information different from the contact information already possessed by Johnson Controls.
8. On January 23, 2008, I again contacted the Human Resources Office of Johnson Controls and asked them whether they had received any new contact information for Dave Watkins since the date of submittal to the U.S. Patent and Trademark Office of the Statement of Facts executed by Martina Tiedemann, and the Human Resources Office of Johnson Controls indicated to me that they only had the contact information previously relied on which failed to result in successful contact with Dave Watkins.
9. This Statement is provided in support of a Response to Notice of Missing Parts and for Reconsideration of the Petition under 37 C.F.R. 1.47(a) filed with the U.S. Patent and Trademark Office in the above-captioned application.
10. I hereby declare that all of the statements made herein are of my own knowledge and are true and that all statements made on information are believed to be true.

Date 01.02.2008

Dr. Felix Wolff
